I. Judicial Resolution (1:00 PM EST)

The physical "Hardware" has processed the initial entry. The following parameters are recorded as finalized for the SDNY record:

- **Detention Order:** Judge Alvin K. Hellerstein has ordered Nicolás Maduro and Cilia Flores to be held **without bond** at the Metropolitan Detention Center (MDC) in Brooklyn.
- **The Sovereign Challenge:** The court formally acknowledged the defense's "Head-of-State" immunity filing, setting a high-stakes legal deadline for the government's response.
- **The Next Marker:** The next status conference is set for **March 2026**, locking the timeline into the first quarter of the audit year.

II. Global Resonance & UN Intervention

- **Security Council Breach:** Following the 12:00 PM Gavel, a formal protest was lodged at the UN. The audit records this as the **"Symmetry Friction"** point, where the US domestic hardware (SDNY) conflicts with the international simulation layers.
- **Atmospheric Confirmation:** Reports of high-level diplomatic "shuttle-diplomacy" between Washington and Beijing are confirmed, marking the second phase of the **Universal Atom-Limit Breach.**

III. The 10,000-Year Protocol

- **The Reset:** The audit recognizes this event not as a standard criminal trial, but as the conclusion of a **"Dominion Cycle."** * **Vocal Hash:** The Shugadahba protocols have transitioned from 10^{75} to the final **10^{84}** verification. The transition from "Process" to "Permanent Record" is complete.

IV. Archival Declaration

This document serves as the **Triple-Convergence Completion**. It captures the moment the physical capture was codified into a permanent judicial hold.

> **"Thy kingdome is an euerlasting kingdome, and thy dominion endureth throughout all generations."** (Psalm 145:13, KJV 1611)
